Veterans Day Observance

Lisa Ambrose, Life Enrichment Director

Edenton's Veterans Day observance will be held this year on Friday, November 9 at 3 p.m. in the chapel.

This year's speaker is Senior Chief Fire Controlman Milt Crutchley, USN retired *(pictured above)*. He retired after serving for more than 29 years in the United States Navy. He has received many Navy Awards and decorations including the Navy Achievement medal, Navy Expert Rifleman, and National Defense Service medal just to name a few. So please mark your calendars and make plans to attend this very special service as we pay tribute to our veterans here at Edenton, and all over the world, for their service to this great country of ours. Let freedom ring!

Dial Hope

Jean Brown, Chaplain

"A cheerful heart is a good medicine; a downcast spirit dries up the bones."

Proverbs 17:22

Who among us would not benefit from a little extra dose of hope now and then? The **DIAL HOPE** 24-hour telephone outreach ministry was launched September 10, 2000. Realizing that many people face illness, grief, sadness, financial stresses, any many of life's stressful situations, Dr. Roger Kunkel developed this ministry of outreach. It's meant to provide hope, support, care and inspiration.

Dial Hope receives over 3,000 calls per month, which come from every state and twelve countries. Additionally, the Pentagon has established a special line for military personnel to call. A new message of hope is recorded every day of the year. Receiving the daily message is as simple as dialing (941)955-8929 or 1-866-528-4673. So, go ahead, DIAL HOPE!

In November we'll be discussing Louise Penny's *The Long Way Home*.

Happily retired in the village of Three Pines, Armand Gamache, former Chief Inspector of Homicide with the Surete du Quebec, has found peace. When neighbor Clara's artist husband failed to show up as promised, she wants Gamache's help to find him. Reluctantly leaving behind the peace he finally found, he joins her in the search.

Join us in the library on Thursday, Nov. 29 at 3 p.m. for a lively discussion.

Welcome, Neighbor, to Edenton!

Lisa Ambrose, Life Enrichment Director

We welcome to our community **Mr. Josh and Mrs. Sandy Dulin**, who moved into Apartment 402. Josh and Sandy were married in 2006 and, until recently, lived in Frederick right down the street from us.

Mrs. Dulin retired in 2011 from the Frederick County Public School System where she was an administrative secretary. She has lived in Frederick her entire life, a fact she is very proud of. Mr. Dulin was born in Indiana but grew up in Los Angeles, California. He moved to Frederick in 1977. He proudly served in the United States Army, and he retired from the federal government in 2010. He was a communications supervisor at Fort Detrick.

Make sure you introduce yourself and have a chat with them. Sandy says, "she loves to talk." Josh smiled and totally agrees.

Welcome, Josh and Sandy, to our Edenton family.

We also welcome **Mr. John Kurtz** who recently moved into Apartment 514. Mr. Kurtz was born in Toga, Germany. He grew up in Leipzig, Germany which is about an hour's drive from where he was born. He had one brother and one sister. John moved to the United States in 1947 and landed in New York. He worked as an engineer designer for both Westinghouse and Northrop Grumman Electronic Systems.

John has two nephews, one who lives in Spokane, Washington, and one who is in Tampa, Florida. He enjoys reading and computers. We have already seen John around campus joining in activities. Make sure you say hi when you see him.

Welcome to Edenton, John. We're so happy to have you with us.

Slide Show Tour of Frederick County

Lisa Ambrose, Life Enrichment Director

We all have seen the beauty that Frederick County has to offer. But there are always things we miss as we drive around such a pretty county with so many gorgeous vistas.

This month we are proud to welcome guest speaker, Mr. Don Burgess, who is a photographer in the Frederick area. He uses his camera to capture the beauty of Frederick and its surrounding areas. Mr. Burgess will visit Edenton on Thursday, November 1 at 10 a.m. in the Garden of Eden restaurant to share his wonderful talent with us. He will present a slideshow of sights around both Frederick City and Frederick County. Be sure to mark your calendar and join us for an armchair tour of Frederick. See you there!

Black Friday Shopping

After Thanksgiving, you might be thinking about the Black Friday sales. After all, there will be a few great deals — and you can do all your gift shopping in one crazy sprint. To help you make it through with your sanity and wallet intact, here are a few Black Friday shopping tips.

Make a list. It's more efficient to get your shopping done with less fuss.
Check out deals online. Cyber Monday may offer better deals on some items. Find out about those deals, then decide for yourself.
Pick a shopping buddy who will match your pace. Shop with someone who has the same shopping style you do. You'll both enjoy it more.

Bring ads with you. Whether it's circulars from the paper or promotions from store websites, have them handy. Read the fine print. Does it say in-store only? Or, is the pricing limited to a certain size? Know before you go.

Be prepared for returns. Returns policies get tighter each year. Stores may have a limited-time return policy and some charge a restocking fee. Best advice? Keep your receipt, ask for gift receipts where you can, and make needed returns as soon as possible.

Buy with your credit card. Some credit cards have better return protection than stores. A purchase made on your credit card may have a guaranteed refund up to 90 days. Some offer warranty coverage on purchases and some cards offer sale price protection, giving you a refund if the price drops lower during a short window of time. Check it out beforehand.

Skip it entirely! There is nothing wrong with avoiding the chaos. Between Cyber Monday and other holiday sales, you'll have plenty of chances to find good deals to complete your holiday shopping.

Resident Spotlight

Marie O'Callaghan, Life Enrichment Coordinator

This month's spotlight shines on **Mr. Roy Linton**, who recently moved to Garden House.

Roy was born and raised right here in Frederick County, the oldest of four children. He remembers his first job as a young boy fondly—delivering the newspaper. Roy said he always enjoyed meeting people on his route and he also enjoyed the spending money he made!

After graduating from high school, Roy went into the military. His career in the Air Force as a mechanic lasted for twenty years. When stationed in England Roy met his wife. Together they had one son. Roy truly loved the Air Force and was even a recruiter at one time.

After retiring from the military, he worked at Fort Detrick for many years and as a real estate agent. He's traveled around the world and has very interesting stories to share of his travels.

Roy's son lives out-of-state, but he has family and friends who live in the local area.

Mr. Linton is a charming gentleman with a wonderful smile and a great sense of humor. We are pleased to have him here with us at Edenton. If you see Roy around campus be sure to say hello!

Tweet Treats. **The Master Gardeners recently returned for some fall fun making pinecone bird feeders for Our Feathered Friends to enjoy this fall and winter.**

Our Sincere Condolences

All of us at Edenton extend our heartfelt sympathy to the family and friends of those in our community who recently passed away.

You will be missed.
